VIENNA ECONOMIC FORUM MEETINGS 2014

DEAR MEMBERS OF VIENNA ECONOMIC FORUM!

Once again the time for our annual brochure came and we have the pleasure to share with you the overview of the year **2014 – another successful Vienna Economic Forum year!**

During our meetings in 2014 we experienced again and permanently the importance of cooperation and its significance for achieving positive and concrete results on regional and subregional level.

In April this year we had the pleasure to cooperate and organize together with the **Central European Initiative** on behalf the Austrian Presidency 2014, 25 years CEI and 10 years Vienna Economic Forum the **“Vienna Economic Talks – Building Bridges in a Challenging Time”** at the premises of Raiffeisen Bank International in Vienna. The Synergy of one private, like Vienna Economic Forum, and one governmental body, like CEI, that showed us the importance of these good cooperation especially in turbulent times as today. Special thanks are due here to the host Dr. Herbert Stepic, founding father and supporter of Vienna Economic Forum since its beginning.

In May Vienna Economic Forum organised together with the **Austrian Federal Economic Chamber (WKO)** the **BUSINESS AND INVESTMENT FORUM ALBANIA**. The Albanian high-ranking delegation was lead by H.E. Prime Minister Edi Rama, Patron of Vienna Economic Forum and this conference was a further step in the already excellent and fruitful business relation between Austria and Albania.

A very important event in June 2014 was certainly the very timely **“Vienna Economic Talks – Chisinau Meeting 2014”**, under the patronage of the Premier Minister of Moldova H.E. Iurie Leanca. Following the Vienna Economic Talks – Chisinau Meeting 2014, the European Commission organised on the next day the “EU – Moldova International Investors’ Conference”, with the participation of the President H.E. Mr. Jose Manuel Durao Barroso, with an important point on the agenda: an overview on the Conclusions and Recommendations of Vienna Economic Forum after the Vienna Economic Talks – Chisinau Meeting 2014.

The much loved summer event of Vienna Economic Forum, the **13th Traditional Garden Party** “Culinary and musical journey through the partner countries of Vienna Economic Forum”, with its unique atmosphere showed once again how much people from the region have in common and how important the good economic development and the peaceful relations between neighbouring countries from the Region of Vienna Economic Forum are for all.

For the **11th Vienna Economic Forum – Vienna Summit 2014** we had the pleasure to welcome 400 participants from 44 countries at the Palais Niederösterreich in Vienna. Under the motto “Visions and responsibilities in a changing time” we were delighted that high-ranking participants such as the H.E. Federal President of the Republic of Austria **Dr. Heinz Fischer**, the Patrons of Vienna Economic Forum: H.E. Federal Chancellor of the Republic of Austria **Werner Faymann**, H.E. Prime Minister of Albania **Edi Rama**, H.E. Prime Minister of Macedonia **Nikola Gruevski**, H.E. Prime Minister of Montenegro **Milo Djukanovic**, H.E. Deputy Prime Minister of Bulgaria **Tomislav Donchev**, **Sir Suma Chakrabarti**, President of the European Bank for Reconstruction and Development, contributed to the great success of the **11th Vienna Economic Forum – Vienna Summit 2014**. The importance of the Information technology, Energy efficiency, the economy cooperation in Danube and the Black Sea Region, the Role of the Turkish Economy for the development of the regional economy were the topics.

Let us cordially congratulate **Dr. Hannes Ametsreiter**, CEO of **Telekom Austria Group**, to the nomination as laureate as **Partner of the Year 2014**; and **Dr. Akkan Suver**, **President of Marmara Group Foundation** as **Strategic Partner of the Year 2014**.

We want to thank you – members, partners and friends of Vienna Economic Forum, for yours continuous support and active participation and can ensure you, that Vienna Economic Forum will continue the good cooperation for further economic development in and between the member countries, in all directions of the region, in Europe and worldwide.

Looking forward to meet all of you at the **12th Vienna Economic Forum – Vienna Dialogue 2015**, on 23 November 2015 in Palais Niederösterreich in Vienna!

VIENNA ECONOMIC TALKS – CHISINAU MEETING 2014

10–11 June 2014, Chisinau, Moldova

in cooperation with the **Moldovan Investment and Export Promotion Organisation (MIEPO)**

Vienna Economic Talks – Chisinau Meeting 2014 was successfully organized under the patronage of the Prime Minister H.E. Mr. Iurie Leanca.

For both days over 300 participants from 18 countries were registered: from Austria, Belgium, Bulgaria, France, Germany, Greece, Italy, Luxemburg, Monte Carlo, The Netherlands, Romania, Slovakia, Spain, Switzerland, Turkey, Ukraine, United Kingdom and Moldova.

In his Opening Statement President **Dr. Erhard Busek** said that things in Moldova improve and by holding such events, Vienna Economic Forum focuses on the attraction of long-term investments. “We want Moldova, which has incomes lower than the European states, but which has potential and is developing, to benefit from the Vienna Economic Forum activities. The solution to rapid development resides in the attraction of investments, increase in exports and enhancement of competitiveness of the Moldovan products on the European markets,” stated President Dr. Busek.

In his Introductory Statement **H.E. Prime Minister Iurie Leanca** thanked Vienna Economic Forum for the idea of staging this event in Chisinau. “It is a good occasion for discussing the new cooperation opportunities that will appear when Moldova signs the Association Agreement with the EU and when the Deep and Comprehensive Free Trade Area is created. Our objective is to place Moldova on the political and economic map of Europe,” he stated.

Moldova has been a Member Country of Vienna Economic Forum from the very beginning and it is a proof of how high the members of Vienna Economic Forum value Moldova and its way towards market economy and EU values so that Vienna Economic Forum organized this specialized meeting for the third time, after the years 2008 and 2010.

Secretary General Amb. **Dr. Elena Kirtcheva** stated that Vienna Economic Forum focuses on authentic values and long-term cooperation and she is convinced, that the markets in CEE continue to offer great potential. The close cooperation of Vienna Economic Forum with the governments is an important incentive for the achievement of this goal and she very much expects an active cooperation with the Moldovan Government in this direction. The aim of Vienna Economic Forum is always concentrated to animate investors from different sectors and from different countries for activities in the Vienna Economic Forum region. Because only a good balance in the mosaic of foreign investors, a colourful palette of companies from different countries, especially in the large structure relevant investments, secures the best choice of a country for the national economic development.

Several Members of the Board of Vienna Economic Forum took part in the meeting:

- **Dr. Ognjan Donev**, President of the Confederation of the Employers and Industrialists in Bulgaria (CEIBG), Strategic Partner of Vienna Economic Forum; CEO, Sopharma AD, Bulgaria Member of the Board of Vienna Economic Forum
- **Mag. Heinz Messinger**, CEO, AME International GmbH, Austria, Member of the Board of Vienna Economic Forum
- **DI Peter Umundum**, Member of the Board of Österreichische Post AG, Austria, Member of the Board of Vienna Economic Forum

On the second day of the meeting **H.E. Mr. Vasile Bumacov**, Minister of Agriculture and Food Industry and **Mr. Mihai Ciocanu**, Deputy Minister of Health of Moldova took part with Introductory Statements, presenting concrete projects in diverse economic sectors of Moldova.

Vienna Economic Forum is especially proud that after the First Opening Session on 10 June in Vienna Economic Talks – Chisinau Meeting 2014 we could present **The National Energy Globe Award for Moldova** – which goes to the NGO “First Aid Centre” and Mr. Vitalie Zaharia for the project “Implementing the street lighting system with solar cells and LED lamps”, and which was handed over by **Mag. Rudolf Lukavsky**, Commercial Counselor for Romania and Moldova at the Austrian Embassy Bucharest, Romania.

Following the successful **Vienna Economic Talks – Chisinau Meeting 2014**, on the next day, on **June 12, 2014**, the **EU – Moldova International Investors’ Conference** was organized, with the participation of **H.E. Mr. Jose Manuel Durao Barroso**, President of the European Commission and **H.E. Mr. Iurie Leanca**, Prime Minister of Moldova. Many Members of Vienna Economic Forum took part in the conference, also the Members of the Board of Vienna Economic Forum, **Mag. Heinz Messinger**, CEO, AME International GmbH, Austria, and **Dr. Ognjan Donev**, President of the Confederation of the Employers and Industrialists in Bulgaria (CEIBG), Strategic Partner of Vienna Economic Forum; CEO, Sopharma AD, Bulgaria. The event was also attended by businessmen and potential investors in the national economy, representatives of government structures and agencies, chambers of commerce, and representatives of diplomatic missions.

Secretary General Amb. Dr. Elena Kirtcheva gave an overview on the Conclusions and Recommendations of Vienna Economic Forum after the Vienna Economic Talks – Chisinau Meeting 2014 and wished the Moldovan economy a realisation of a colourful investors interest and assured that Vienna Economic Forum, as the place where the participants experience the importance of thinking together about the present and future economic development, will continue the good cooperation with Moldova and the countries of the region.

DEAR MEMBERS, PARTNERS AND FRIENDS OF VIENNA ECONOMIC FORUM,

We can by all means describe 2014 as good and successful years for our activities.

Our status as **International Non-Governmental Organization** and the **Special consultative status at the Economic and Social Council of the United Nations (ECOSOC)**, gives us new chances to spread the visions of Vienna Economic Forum not only within Europe but world wide and first results are already facts!

Therefore I am also delighted to inform you that Vienna Economic Forum has registered successfully as international NGO in the **Transparency Register of the European Commission and European Parliament**.

The number of countries from which Vienna Economic Forum Members come from steadily grows and we can welcome two new Members of the Board from Vienna Economic Forum. In 2014 these are the **Vestner Aufzüge GmbH** from **Germany** and the **Investment Support and Promotion Agency of Turkey (ISPAT)**. The internationalisation of the VEF-Board works and this is very positive. The enlargement of the activities of Vienna Economic Forum also geographically, I see as one of our primary goals for the next years.

Vienna Economic Forum grows and gains importance and we should use this success in an especially difficult time for our economy for further economical cooperation and networking in the region.

In the 11 years of its existence Vienna Economic Forum grew and I am convinced that the time is ready for Vienna Economic Forum not only to be **THE platform** in Vienna, but to be **a European platform in Vienna**, in order to provide the numerous members and partners from the economy and politics in the member countries: a platform for building trust, for exchange of ideas and concrete cooperation in the economy and business world but also with state institutions and political circles. **A platform where visionaries meet.**

The **11th Vienna Economic Forum** we organised as **Vienna Summit 2014** and the outstandingly good echo gives us further confidence. We already work on the organisation of the **12th Vienna Economic Forum** on 23 November 2015 as **Vienna Dialogue 2015** and I strongly believe that our **Vienna Economic Forum** is, as it is stated in the statutes of Vienna Economic Forum already in 2004 a “place of definition, encounter, and of realising the public and private interests in connection with the various projects in the region as part of the **united Europe**.”

Let us achieve new horizons!

Yours,

Ambassador Dr. Elena Kirtcheva
