

EMMANUEL FOREST

**Executive Vice-President
European and Institutional Affairs
Bouygues Group**

Emmanuel Forest is Bouygues group Executive Vice-President. He is heading Bouygues Group representation to EU institutions for all Group's branches (construction, real estate, telecommunications and audio-visual), and is Chief Executive Officer of Bouygues Europe SA in Brussels.

He is also President of the European Construction, built environment and energy efficient building Technology Platform (ECTP) and Chairman of the Board of the European Competitive Telecommunications Association (ECTA).

He is member of the Mission Board for climate-neutral and smart cities.

Emmanuel Forest is a graduate of both École Polytechnique (1978) and ENA (1981). He started his career in the French Ministry of Education and then became advisor to the Secretary of State in charge of universities. He then joined the French Ministry of Foreign Affairs in 1986 as advisor to the cultural, scientific and co-operation counsellor.

In 1989, Emmanuel Forest joined the Bouygues group as Corporate Secretary of Bouygues Bâtiment International and of Bouygues Telecom in 1994, after the operator was awarded its licence. He was subsequently appointed Executive Vice-President in 1998 and Deputy CEO & Deputy Chairman of Bouygues Telecom in 2007.
